Warranty Information

All JY Bagby Rifles are guaranteed for life under a limited lifetime warranty. However, mistakes can happen. This warranty covers manufacturing defects, feeding problems, jams and other related issues that were not caused by negligence from the shooter/buyer. JY Bagby's Limited Lifetime Warranty does not cover issues from the following: Firing non-factory ammunition, negligence to clean and oil properly, dropping equipment or any product that has been modified. In addition, a shot out barrel does not constitute a warranty replacement. The buyer will get the next barrel for dealer cost and ½ labor cost. JY Bagby Customs will pick up shipping costs for all warranty claims.
